Scanned 2021 with Permission from the Albion District Library Local History Room (501 S. Superior St, Albion, Michigan 49224) by Michigan's Grand Army of the Republic Memorial Hall and Museum.

In Keeping with the purpose of this book, its information has been transferred to the card file and may be found on the individual cards, in order that this record may be preserved for future generations.

Post 210 was disbanded in c1930. There are a few members who were not included in this book, probably because the person keeping the record died himself. Members not entered in the book have mention of their membership in the Post on their individual cards. Benjamin B. Cook is one of these. Everett G. Knapp is also.

The May 30, 1910 issue of Albion Recorder contains a roster of the members of the Post on its front page
